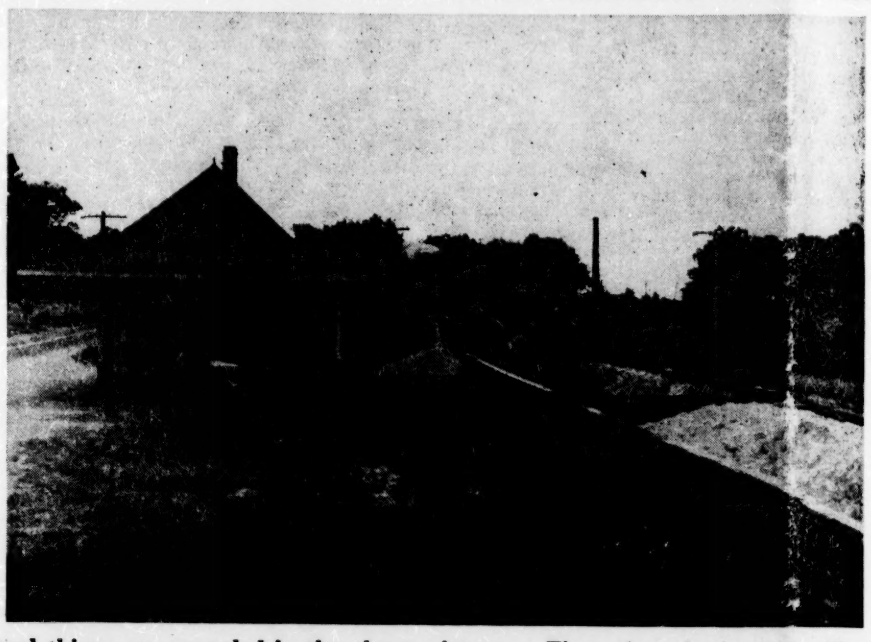
## Post Office At Barium Springs Very Important Building



**Several things are revealed in the above picture. First, there is the post-office through which the 1941 Thanksgiving offerings are now coming and through which thousands of pieces of mail are annually delivered to Barium. Second, the farm crew in the foreground is unloading lime for the alfalfa fields. Third the towering smokestack of the central heating plant can be seen in the background.**

## Regents' Semi-Annual Meeting In October

### Approval Given to Proposed Children's Village Started by a $10,000 Gift In September

The Board of Regents of the Presbyterian Orphan's Home met in semi-annual session here on October 21st, elected officers for the ensuing year, approved a children's village plan that has been started with a $10,000.00 gift from Ralph S. Robinson of Gastonia, and attended to routine matters brought to their attention in reports from Joseph B. Johnston, superintendent, and Ernest Milton, treasurer.

The slate of officers serving in the past year was re-elected. This consists of Dr. J. R. McGregor of Burlington, president; Mrs. Geo. Norfleet of Winston-Salem, vice president, and Miss Lucile Johnston of High Point, secretary.

The proposed children's village will be for boys and girls under 10 years of age and will consist of six houses in which there would be 12 children each. The board authorized the superintendent to proceed to obtain donors for other

## What the Visitors Thought of Barium

After the ministers and elders returned to their respective localities following the annual sessions at Barium Springs, a good many of them voluntarily wrote letters of appreciation to officials at Barium and some of them voiced their impressions of the Home and the children in it. Quotations cannot be made from all of the communications and in every instance the identity of the writer will not be memtioned. However, it is revealed that the current Moderator, Hon. Chas. G. Rose, of Fayetteville, wrote in part:

"Now that I am back in the office, before getting into the 'grind' of the details of the practice, as Moderator and personally I want to extend to you sincere and cordial thanks for the excellent entertainment which was provided by the Orphanage, under your efficient management, for the recent meeting of the Synod of North Carolina."

## Synod Is Ahead In Its Regular Contributions

### Increase of $[illegible] Is Noted As the Home Entered the Thanksgiving Month

The Presbyterian Orphans' Home at Barium Springs entered the Thanksgiving month of November with the regular receipts $1,567.59 ahead of that which had been posted upon the books here through October of 1940. This regular gain on the part of the churches has been gradually rising for the past seven months, with the net glowing result that was announced in the preceding sentence. Through last month Thanksgiving Offering that totaled $236.00 had been welcomed here, this being $4.50 more than had arrived through October of 1940.

As November was entered, these facts were tremendously encouraging to officials, for it is felt that this larger regular giving is going to be reflected in a greater Thanksgiving Offering in the season of 1941. Early reports would seem to verify that feeling, for without exception the Thanksgiving Offerings in hand on Tuesday, November 18th (the day that this is being written) were as great, or greater, than those in 1940.

All but two Presbyteries were ahead of last year's giving. The two behind were Concord and Winston-Salem with respective decreases of $43.05 and $133.89. Gains were noted in the other seven Presbyteries as follows: Mecklenburg, $761.85; Granville, $395.77; Orange, $229.30; Fayetteville, $180.93; Albemarle, $131.11; Kings Mountain, $113.45, and Wilmington, $93.51.

The per capita standing of the Presbyteries follows:

| Presbytery | October Receipts Regular | Am't Rec'd Per Mem. | Total Per Mem. for Year |
|---|---|---|---|
| Winston-Salem | $ 389.46 | 7.2c | 32.7c |
| Mecklenburg | 1,221.98* | 6.6c | 31.2c |

## Meeting of Synod

BY REV. J. G. GARTH, D. D.
Synod's Publicity Clerk

The Synod of North Carolina met at Barium Springs Orphans' Home, September 23-25, and was unique for four reasons. It had the largarest attendance on record. 224 ministers and 132 elders. It celebrated the 50th anniversary of the opening of the Orphans' Home in 1891. It opened the campaign for Christian Education to increase the endowment and enlarge the equipment of its seven schools. It heard the first report on Soldier Work connected with the military reservations located in the state, for which the Synod set a goal of $45,000 to be spent in connection with religious services for soldiers outside the military posts.

Synod opened Tuesday night with a sermon by the retiring moderator. Rev. W. T. Thompson, D. D., of Union Seminary, Richmond, Va. His subject was "What Think Ye of Christ", and he declared Jesus Christ was Teacher, Savior, Lord and God.

Ruling Elder Charles G. Rose, of Fayetteville, was elected moderator on the first ballot, the Rev. J. O. Mann, the other nominee, received only two less votes than Mr. Rose's 126.

On Wednesday night, the Synod met at Chambers Auditorium, Davidson, and heard the report of the special committee on Christian Education. Rev. J. M. Walker, D. D., the chairman presided, and addresses were delivered by Dr. C. E. Diehl, moderator of the assembly, on "Christian Education is Double Taxation—Is It Worth It?". Dr. W. L. Lingle, president-emeritus of Davidson, spoke on the Synod's six colleges and one high school. Dr. O. C. Williamson, of High Point, spoke on "The Duty of the Churches to Christian Education".

Dr. Diehl emphatically declared church colleges were essential to Christian leadership. Dr. Lingle said the seven schools - Davidson, Queens, Flora Macdonald, Junior College for Men, Peace Jr. and Mitchell Jr. and Glade Valley High School, and he also included Lees McRae at Banner Elk, making eight - had 2299 students, with

## Home Missions

BY REV. J. G. GARTH, D. D.
Synod's Publicity Clerk

A conference on Home Missions sponsored by the Synod's Home Mission Committee was held at Barium Springs September 22-23, just preceding the meeting of synod on September 23. There were over 100 present, most of them being workers in the field who came to compare notes. They also heard several outstanding addresses.

The general theme of the conference was "Forward Through Missions". Karl G. Hudson, chairman of the Home Mission Committee presided at the first meeting Monday afternoon, September 22. Rev. C. D. Hutton, of Reynolda, led the devotional study.

Dr. E. E. Gillespie, superintendent of Home Missions, spoke of the "Unreached in North Carolina." He said there were at least

## Leading Contributors at Thanksgiving Time

What are the leading churches in contributing Thanksgiving Offerings? That question is being answered today on the basis of the 1940 Thanksgiving reports, since it will be next March before the 1941 Thanksgiving Offerings are all in hand and a list of leading givers for the 1941 period can be given. Below will be found the 16 churches in the North Carolina Synod which gave as much as $500.00 as Thanksgiving Offering in 1940, the membership of each church also being recorded to give readers an idea of the per capita Thanksgiving responses by these leaders:

## THE ORPHANS

**From The Charlotte Observer of November 20, 1941:**

There are more than 40 homes for orphans in the two Carolinas, filled up to overflowing with the fatherless and the motherless.

The greater number of these fine and important institutions are under the chaperonage of either churches or fraternal orders. And every one of them is customarily in need of far greater revenues than are available for the thorough services they must give day after day to these little children.

The custom is for Thanksgiving Day to be made the occasion for special contributions to the cause of orphanages and, in behalf of each of these 40 such institutions within the Carolinas. this newspaper bespeaks the kind and generous remembrance of the public today.

Whether through the sponsoring agencies or directly, all might well make it a point today to contribute to a cause so noble as this and one that should appeal deeply to the sympathies and emotions of the public.

In some instances, these orphanages are literally dependent upon Thanksgiving donations to provide them with necessary sinews of yearly financing.

That holds especially for one of the larger and better known of these institutions, that at Barium Springs under the sponsorship of the Presbyterians of North Carolina.

One half of the contributed income that goes to Barium Springs is derived from Thanksgiving offerings.

Last year the sum gathered from the Presbyterian churches for this single cause through this one source was in excess of $46,000, and not a cent less will be expected by the management this year if the work there is to be continued on its past and present high scale of efficiency and excellence.

To contribute to a service so worthy and one that means so much to so many children of the communities of the Carolinas is one of the more effective and practical media by which a well-blessed public may exhibit its spirit of gratitude to "the Giver of every good and perfect gift".

---

We are awaiting with interest a copy of the historical sketch of the Orphanage at Barium Springs. It is announced that the historical and pictorial sketch is to be a most attractive and appealing booklet. One of the notable features in connection with the enterprise will be in connection with printing and binding of the whole job at their own printery. We imagine the cost of such a booklet will come back in many ways to inure to the good of the Orphanage and its work. If they give out ten thousand of these books as planned, it ought to be one of the most successful forms of advertising that has been put through in many a day.—The Connie Maxwell of September. Hope you duly received your copy.

---

They say the first institution to entertain its entire convention constituency will be the Presbyterian Orphans' Home at Barium Springs, N. C. It is just a little bit hard to figure how this stunt could be pulled off successfully, but we are quite sure that J. B. Johnston and his associates are competent to meet the situation. Such an event ought to bring the greatest possible encouragement to the people at the institution, both grown folks and children. It also should result in great good in providing real information about the institution and its work. —From The Connie Maxwell of September.

### SYNOD'S

Dear Friends,

We are having such a good time playing football these pretty afternoons.

Our campus has been so beautiful this fall. The maple trees were so pretty and red.

Mr. Johnston let us go to see the picture "Sergeant York". We enjoyed it so much.

The ladies from our circle in Mooresville are coming to visit us Monday afternoon. We are looking forward to their visit. It will be so nice to be able to thank them personally for all the nice things they have done for us.

We are working hard in school so we can bring home good report cards.

Miss Taylor is going to give a prize to the boy who works hardest on his lessons.—The Wigglers.

### HOWARD.

Hello Friends,

This is Howard Cottage girls back with you again. We have a lot of news to tell you.

Two of our girls sang in the choir and they went to Davidson Sunday to sing, Gwendolyn Landrum sang, "Thanks Be to God", and Hazel Walker sang, "How Lovely Is The Hand of God".

We went to the show Friday afternoon to see, "Sergeant York," and it was real good. We want to thank Mr. Johnston for letting us go.

We went to Troutman Drug Store and we bought anything we wanted. We sure do thank Miss Burgess for the set-up.

Just three of our girls got the show tickets over here. They were Mary Morgan, Margaret Bullard and Kathleen Munroe. Only one over here made the Honor Roll and that was Joyce Katon.

Two of our girls went to the First Presbyterian Church in Gastonia Sunday and they sure did have a good time. They were Jacumin and Ida Lee McBride.

We have had some of the clothing boxes and we sure are happy over them. It will not be long before Christmas and we can wear our snow suits.

Well, folks, this is W. F. K. (Workers For Knowledge). We will be back with you again next month.

—The Beanstringers.

### BABY COTTAGE.
First Floor

Hi Folks,

It has been almost a month since we wrote but it seems like yesterday. Since that time we've had lots of visitors.

We had the pleasure of welcoming several members of the Board of Regents to Barium for a short visit. These were Mrs. Stowe, Mrs. Patterson, Miss Johnston and Mrs. Little.

We wish to thank Mrs. Stowe for the nice Hallowe'en favors and balloons, both of which gave us a great deal of pleasure. We also wish to thank Mrs. Little for the nice large box of gum. We all enjoyed chewing it.

Three of our boys, Johnny Collins, Clyde Dellinger and Perry Williams have had visits from their people. I know they enjoyed having them.

We want to express our appreciation to Circle 4 of Mooresville First for the nice drinking cups and large bundle of comic sheets.

We had one boy, Billie Burke, to go to the birthday table last month and from what we heard, they had a very good dinner.

All of our new boys are getting along nicely and we hope they feel at home; just as we hope everyone else feels when they visit us.

When asked to relate his experience on a recent trip, to Gastonia, this is what Billy Burke, a three-year-old boy at our cottage told:

"Well, I went with Mr. Keever. In the Home where we went, the little girl let us play with her toys. We colored with paint brushes and crayons. We blew soap bubbles. For dinner we had apples, chicken, potatoes, cake and ice cream. I wanted chocolate, but Perry Williams wanted chocolate mixed up with vanilla. We also had squash and beans. The lady rang a little bell at the table and a colored woman brought out some hot biscuits and butter. The preacher talked about the Devil. He had a light on his speaker (pulpit) so he could see how to read the Bible. At the horse barn we saw a new little horse that would kick. I saw one little chicken. There was a little dog brown all over. In the playground there was a wooden slide board with little low sides and one swing. They gave me a balloon and a nickel. On my way back I saw an airplane light that shines round and round. I wore my new brown shoes, green corduroy coveralls and jacket and green and white shirt."

—The Baby Cottage Boys.

### INFIRMARY.

Hello Friends,

Here we are with the news of the Infirmary.

We haven't lost a game in football yet. We are very proud of our record. We have just one more game to play and we hope we win.

Our Home-Coming is the 21st of this month. We hope all the old Barium folks will be here. We are going to play Salisbury and it is going to be a good game.

Since we wrote you we have had five children to come to live with us. They are as follows: Bennie McGregory, Nina and Mack Berryhill, and Mary and Marie McNeill. We hope they will enjoy living with us.

Beulah Baldwin and Martha Price were invited to the skating rink in Statesville. They reported a grand time, but you should have seened their blue knees.

Lilly Belle Smith, one of our girls, had the pleasure of going to Davidson and Charlotte to sing.

We haven't had many sick and we all think the reason for this is we have had so many nice apples to eat. As you know, the old saying is "An apple a day will keep the doctor away".

Guess we will sign off for this time but you will hear from us again next month.

—The "Little" Nurses.

### RUMPLE HALL.

Hello Friends,

Here are the dishwashers coming to you again from station R. H. C. We don't write often, but we think of you just the same.

We have a new friend in Mrs. Troutman and her auxiliary from the First Presbyterian Church in Hickory. We want to thank them for the lovely pictures, waste baskets, scissors and paste they brought us a few days ago. We surely do appreciate them. Each girl was given her choice of picture and the girls that roomed together selected the waste basket they liked, as there was one for each room.

We also want to thank Miss Mayhew of the First Presbyterian Church in Mooresville for the nice things her circle has been doing for us throughout the past summer. They have given us a croquet set, wash clothes, funny papers, magazines and hair ribbons.

It sure does seem good that Christmas is just a few weeks around the corner. We all can hardly wait.

Since we wrote, we have all received our new winter shoes. Everyone looks nice in them.

We are going to see "Week-end In Havana" with Alice Faye and John Payne. We know it will be good.

Now that the pecan orchard has been opened up to the children, everybody goes around with their pockets full of nuts. We also have all the apples we can eat. Beginning today, we will have a small cup of tomato juice when we come in from school in the afternoon.

We will sign off until next time.

—Helen Hawley.
—Hannah Price.

### WOMAN'S BUILDING.

Football has taken the limelight here as in the other buildings. We have a very excellent team this year, having been undefeated for the entire season and scored on only twice. One of the nicest trips was the jaunt over to Albemarle for the game there several weeks ago. Next week-end we look forward with a great deal of pleasure to the Home-Coming game with Salisbury. Not only are we expecting to see some high class football but also many of the former members of our big family who will be with us during Thanksgiving week-end.

Speaking of Thanksgiving reminds us of so many things that we have to be especially grateful for this year. One is the kind of friends who just seem to lie awake thinking up nice things to do for us. Particularly the Mooresville Business Women's Circle is this kind of friend. Not only do they remember our birthdays individually, but they are constantly remembering us as a cottage. Early in the fall we had a lovely visit from them (they brought the refreshments) and the cottage received material enough to cover two of our living room chairs. Just last week they again remembered us with a box just crammed with jars of the grandest jelly and jam. We thank them so much for remembering us so continually.

Recently a number of our girls appeared in a chapel program featuring the glee-club and members of the Graded School Music Class. They sounded very good to us. We are looking forward to hearing them again soon.

One of the best motion pictures that we have seen this past month was, "Week-end in Havana" which was a technicolor. We enjoyed it very much. The colors were beautiful and the music delightful.

Basketball has begun. We practice every evening from five o'clock until six. A large number of our girls are taking part in this sport. From this early practice we believe that our girls' team will be exceptionally good this year. All the players have had some experience on the court.

We are mighty grateful that subscriptions to five magazines have been renewed by the Charlotte Second Auxiliary. They come to the second floor girls. but we all enjoy them.

### ANNIE LOUISE.

This is the Annie Louise girls bringing you the news of the month.

Since we last wrote you, we have gotten our report cards for the first time this year. Six of our girls made the honor roll. They were Eloise Morris, Betty McMannen, Annie Louise Campbell. Shirley Inman, Pat Inman, and Elsie Vest.

Jeane Steppe and Elsie Vest went to the meeting of the Music Club in Miss Green's studio and enjoyed it very much.

Eloise Morris, Elmina Johnson, Peggy Joyce Land and Ray Powell have been to Davidson and to Charlotte to take part, with others, in programs presented by some of the Barium boys and girls.

Miss Mary Reid gave us a nice Hallowe'en party in our cottage, and we had a good time. Peggie Joyce Land had received boxes of candy and cookies from some of her relatives and she served them as part of our refreshments. We also had punch and some cookies that Miss Reid served.

We are looking forward to Thanksgiving because we get out of school two days.

Be looking for us in the news next month.

—Annie Louise Girls.

Deep sympathy is being expressed to Mr. John Wesley Ervin, in charge of the carpenter's shop at Barium Springs, in the loss of his mother in November. She was 86 years of age. His many friends feel for him in this great loss and his poignant grief.

## Baptist Gets Methodist to Give Presbyterians A Registered Holstein

From The Statesville Record.

Carnation Ormsby Pietertje, one of the most royal blooded Holstein calves in the United States, is owned by Barium Springs Orphan's Home through the efforts of J. R. Kimbrough of Statesville in securing the calf as a gift to Barium from Odell Lindsey, owner of Lindale Farm, High Point.

The young bull's grandfather is the champion grand sire of the world on the Carnation Farm at Seattle, Washington. Natodor Segis Ormsby is the grand sire of Carnation Prince who is the sire of Carnation Ormsby Pietertje.

His mother is the daughter to the sister of Butter King, champion milk cow of the world on the Carnation Farm for both milk and butter production in one year. She gave 38,606 pounds of milk, and 1,402 pounds of butterfat in 365 days.

The calf, born December 17, 1940, will be used to establish one of the South's finest herds at Barium Springs. Mr. Lindsey bought his calves from the Carnation Farm.

Mr. Kimbrough, who is a Baptist sat in Methodist Lindsey's home and secured the calf for a Presbyterian Orphan's home. This was accomplished on last Thanksgiving Day.

It should pay rich dividends in the future. * * * Here is hoping that you have a great year and a handsome Thanksgiving Offering. Many a minister will know more about what he is saying as he speaks to his people about the Home."

---

"I want to express to you and to the Home my appreciation for the fine manner in which you entertained us at the recent meeting of Synod. As a host you were superb, no want of the visitors being left unattended. It was my first opportunity to become acquainted with Barium and I, now more than ever, realize the great work you are doing for us all. It was an inspiration to be there."

---

"It was a privilege to have attended the recent meeting of Synod. There were many expressions of pleasure that came to my ears during the sessions over the opportunity of coming into such contact with the Home, and everyone whom I talked with seemed to thoroughly enjoy the whole of our stay." EDITOR'S NOTE: That was accompanied by a $10.00 check.

---

"Let me say that I certainly did enjoy my stay at Barium. You and every one connected with the Home certainly did entertain us royally. Don't see how every interest - large and small - could have been looked after more splendidly and satisfactorily. You have a great institution and are doing a most worthy and enduring work. I was deeply impressed and am sure the entire Synod was."

## Alumni News

**Eudy-Cagle.**

From Statesville Daily of Nov. 8th.

Miss Eleanor Eudy and Mr. Sam Cagle were married Friday evening at 7 o'clock in Little Joe's Church at Barium Springs with the pastor of the church, Rev. T. C. Cook, hearing the wedding vows.

The simple, impressive ceremony was witnessed by a group of relatives and close friends of the young couple.

Ferns and yellow chrysanthemums were used as altar decoration, forming a setting for the bridal pair, who entered together, unattended. The bride wore a winter green suit of velvet with brown accessories and her flowers were pink rosebuds in shoulder corsage arrangement.

Mrs. Cagle was educated at Barium Springs and since her graduation in 1940 has made her home in Concord. She is a sister to Miss Emma Eudy and Mrs. Ed. Flowers of Statesville. Mr. Cagle is from Concord and he and his bride will make their home there.

**Munroe-Daves.**

Isabel Munroe, a 1940 graduate of Barium Springs, was married in July of 1941 to John C. Daves, an attendant at Westbrook Sanatorium in Richmond, Va. Isabel was in Richmond, training to be a nurse at the time of her marriage. Mr. and Mrs. Daves can be addressed on Route 12, Box 600, Richmond, Va.

---

**Weeks-Ward.**

Dorothy Weeks is now Mrs. Ward, of Gastonia, but that's all we know. She wrote a card to The Barium Springs Messenger asking that her Gastonia address be changed from Dorothy Weeks to Mrs. Dorothy Weeks Ward, P. O. Box 651, Gastonia. It had been rumored for some time that Dorothy was married. That is now a definite fact, but when the ceremony took place was not revealed, and neither do we know the initials of her husband.

**BIRTHS.**

Mr. and Mrs. Paul Welborn, of 301 Kennedy St., High Point, announce the birth of a daughter, Sonja Irene, on October 25th. Mrs. Welborn is the former Gertie Smith who finished at Barium Springs in 1940.

On the day of going to press with The Messenger, it was revealed by the secretary of the Alumni Association that $182.75 had already been handed in as Thanksgiving Offering from the Association, with more to follow. The Offering from the body this year is already more than it was in 1940, and some of those reporting donations a year ago had not yet sent gifts to the Alumni Association Secretary, Miss Lucile Burney, at Barium Springs. She will be glad to swell the total by any amount that alumni want to send to her.

---

Mr. and Mrs. Eugene Bosworth are now living at 4238 Bradbury Heights, Maryland. Mr. and Mrs. Bosworth were married on April 1, 1941. We do not know the name of his bride before marriage, but she was a native of Pittsburgh, Pa., though she had been living in Washington, D. C.

Julius J. Kinard, who has been an aviation cadet in Uncle Sam's Air Corps, has been promoted to Corporal and was in a class which arrived at Goodfellow Field, San Angelo, Texas on September 30th for ten weeks of basic training. His primary training was received at Tulsa, Okla.

Lieut. James D. Johnston, son of the superintendent here and a graduate of the high school at Barium Springs, has been ordered to the Philippines, and will leave for his new duties on December 17th.

Dave Spencer, a senior at Davidson College, was distinctly honored recently when he was one of seven seniors tapped for membership in Omicron Delta Kappa, honorary leadership fraternity. The Davidsonian, student publication, described the attainments of each new member and had this to say about Dave: "Spencer is possibly Davidson's best known football player since Lafferty and is a member of the 'D' Club and Scabbard and Blade honorary military fraternity. He is from Barium Springs, N. C., and is an officer in Pi Kappa Alpha social fraternity."

## Good News

"Our little girls," said a letter received at Barium Springs from Pollocksville in September, "from nine to twelve years old have organized a society to raise money for the Orphanage. * * * They hope it will grow into a large and profitable organization, and that others will join. Yesterday they brought me their offering for the month and asked me to send it to Barium. * * * I hope other churches will have this age girls to form such organizations. It is a help to the girls as well as to the Orphanage."

That letter was accompanied by a $3.00 check for September, and another $3.00 contribution has been made for October. The communication speaks for itself. There were only seven girls in the Pollocksville society when that first amount came, and it is commendable that this limited group could give $3.00 for each of the past two months. It would be fine if the hope expressed materialized in other places - in those churches which do not give an offering each month through the Sunday School.

From another Sunday School in Wilmington Presbytery comes the glad tidings that it has already inaugurated the offering-per-month plan. Wallace Sunday School is the organization that is joining the ranks of that ever-increasing number of Sunday Schools doing something for Barium on a systematic and regular basis. Two great fourth Sunday Offerings have already arrived since the inception of the plan and other generous remembrances are anticipated from Wallace.

While the board meeting was in progress there also was over 75 women from more than two dozen churches in the Synod on the campus as guests during the morning. The majority of these were enroute to the Synodical meeting in Charlotte.

### Meeting of Synod

(Continued From Page One)

property worth $565,457, and endowments of $1,660,516. Dr. Williamson declared self interest and loyalty demanded the greatest concern on the part of the church. The reports showed there are 2,186 Presbyterian students in state colleges.

Rev. W. I. Howell, Jr., Rev. C. Rees Jenkins, and Chaplain R. E. McCaskill all spoke of the interest soldiers show in religious services being conducted in camp and out. Rev. G. A. Wilson outlined needs of religious work for soldiers. All except Chap. McCaskill are employed by the Synod. About one-third of the $45,000 set as the goal for this work has come in, and appeals were made by the chairman of the special committee, Rev. J. M. Alexander, D. D., for a steady stream of gifts.

There were 353 Vacation Bible schools held in the Synod, with an attendance of 26,796. Great interest in teaching the Bible in public schools was reported. There were 24 training schools held. Announcement of a Religious Education Convention to be held in Greensboro First church, November 3-5 was announced.

Dr. Harry W. Bowlby of the Lord's Day Alliance and Rev. I. S. McElroy secretary of the American Bible Society, presented these causes.

Synod's Home Mission committee disbursed $30,250 and the Presbyteries Home Missions disbursed $66,000.

Rev. R. K. Davenport was re-elected evangelist, Rev. J. O. Mann, religious education director, and Miss Mary Louise Woodson director of Young People's work. Mr. Davenport held 17 meetings and had 141 additions to the church.

Synod declined to re-open the controversy raised by Thomas M. Glasgow and his heresy charges against Dr. E. T. Thompson, on the ground that Presbytery, Union Seminary and the Assembly refused to enterain them.

Mrs. E. F. Heins, president of the Synodical Auxiliary addressed Synod.

Synod was delightfully entertained by the Barium Springs Orphans' Home, and heard a program by some high school students. Dr. A. A. McLean made an address on the home and its care of the children. Jos. B. Johnston, the superintendent, acted as host to Synod and was ably supported by the helpers and the children, who gave up their rooms for the Synod. All ate together in the dining room.

A booklet giving the 50 years of history and views of the home was prepared by Ernest Milton, the treasurer and publicity man. A quadrangle of buildings has been built this year by the Auxiliary and several persons. Each cost about $10,000. One individual gave $6,000.00 to the Home for a Printing Office and Shoe Shop building. It was announced that Ralph S. Robinson, of Gastonia, was giving a memorial for his uncle and aunt, Mr. and Mrs. D. M. Jones, $10,000 for a Children's Village. The regular gifts from the church amounted to $45,920 and the Thanksgiving Offering was $45,679. The plant is now valued at over one million dollars.

The annual report of Synod shows 398 ministers, 542 churches, 57 candidates, communicants 91,309, Sunday Schools, 76,679: gifts, assembly's causes, $311,286; local causes, $279,231. Total $590,517. Next year's benevolent budget, $580,000.

Synod heard Dr. H. Kerr Taylor, educational secretary of foreign missions and Rev. Ernest J. Arnold, executive secretary of N. C. Council of Churches.

Queens College's invitation to hold the 1942 meeting was accepted and Flora Macdonald College invited Synod for the 1943 meeting.
